Sir -

Referring to the Secretary's Proceedings No: 1165-6/60 dated 13th May 1885 sanctioning the abolition of the sandal Kôti at Sorab, I have the honor to state that the sandal stored in it has been lately sold, and the building will be vacated very shortly.

2. At Sorab there is no accommodation for travellers save a small building recently built which from its being outside the town and inconveniently situated

situated is unsuited to many classes of travellers; I therefore beg to recommend that the old Taluk Kachéri or what is now called as Sandal Kóli may be transferred to distnct funds for the purpose of a musafirkana and that sanction may be conveyed for a sweeper on Rs 4 per month to look after the building.

3. If the proposal is sanctioned, arrangements will be made to find funds from the current years Budget to put the building in proper order and to meet the pay of the sweeper recommended.

I have the honor to be
